FORGIVENESS

Forgiveness is a decision I make
to obey God, and to walk as a lifestyle
in a higher realm, by not allowing someone else's
actions or attitudes to dictate my
actions or attitudes, releasing them to God,
while not requiring them to be accountable
to me to make it right, with a willingness to
move in the opposite spirit, making sure
I am willing for God to use me as an unrestricted
channel of His love to that person.
